INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
United Way of Mahaska County

We have audited the accompanying financial statements of United Way of Mahaska County (a nonprofit organization), which comprise the statement of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Mahaska County as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019

Note 1. Nature of Activities and Significant Accounting Policies

Nature of Activities

The United Way of Mahaska County (UWMC) is a centralized fundraising organization serving the Mahaska County area, whose mission is “empowering our community by promoting education, encouraging healthy living, and strengthening financial stability,” and whose vision is “improve lives for a better tomorrow”. UWMC was founded on February 20, 1963. UWMC directs campaign contributions to a wide variety of charitable organizations within Mahaska County based on criteria set out by the directing board. A Board of Directors oversees activities, allocations, and all other organizational functions of UWMC. This Board consisted of fourteen volunteer members during the year ended December 31, 2019, including five members of the Executive Committee which oversees daily functions and hires and approves employees. The Board decides yearly allocations to various agencies within Mahaska County based on applications completed by those agencies, using guidelines set out by the Board. UWMC’s support comes primarily from individual and corporate donors’ contributions.

United Way of Mahaska County is a nonprofit organization as described in Section 501(c) (3) of the Internal Revenue Code and is exempt from federal and state income taxes. UWMC annually files a Form 990 Return of an Organization Exempt from Income Tax with the Internal Revenue Service. UWMC biennially files a Biennial Report with the Office of the Iowa Secretary of State.

Public Support and Revenue

Annual campaign contributions are generally available for undesignated use in the related campaign year unless specifically restricted or designated by the donor. Unconditional promises to give are recorded as received. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. The majority of the promises to give are received from a broad base of Mahaska County contributors as a result of the annual campaign. An allowance for uncollectible promises is provided based on management’s evaluation of potential uncollectible promises to give at year end, which is based on a historical average.

Contributions of donated noncash assets are recorded at their fair values in the period received.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

United Way of Mahaska County considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Furniture and equipment are being depreciated over estimated useful lives of three to seven years using a straight-line method, with a half of a year's depreciation recognized in the years of acquisition and disposal.

In-kind Donations

In-kind donations are recognized at their fair values on the date received.

Note 2. Investments

The 2019 designation of net assets of \$71,460 represents 40.6% of the 2019 agency allocation total of \$175,988, which complies with the Organization's policy. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE

Board of Directors
United Way of Mahaska County
Oskaloosa, Iowa

In planning and performing our audit of the financial statements of United Way of Mahaska County for the year ended December 31, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered United Way of Mahaska County's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This communication is intended solely for the information and use of management, the Board of Directors, and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.
